BONESEED

Mr Wall has received a letter from the Director of Parks and Recreation:-

Quote: 'Thankyou for your letter dated 15.7.79. regarding the African Boneseed.

'I certainly have no objection to you removing the weed wherever you find it. Thankyou very much for the offer. I wish other people would make the same offer.'

..... so there you are, Field Nats! Keep your eyes open and your pulling hand in good trim!

At the Federation meeting it was acknowledged that it would not now be possible to eradicate it from Tasmania-but perhaps the National Parks and Wildlife Service could try to keep it out of National Parks and Reserves.

'Save the Leopard' Campaign.

'Friends of the Earth' Burnie Branch are backing this Campaign by selling pictorial stickers to help provide funds to mount an accurate survey of the remaining leopard population. Our Secretary has a number of these stickers for sale. She would be pleased to hear of anyone who would like stickers to sell, or who would like to make a donation.

SOME OF OUR NEW MEMBERS

Mrs E J Bower	Mr and Mrs Les Haynes
Mrs N Craik	Mr and Mrs H Johnston
Mrs M Davis	Mr and Mrs B Scott
Miss P Hamilton	Mr F T Morris
Mr J G Gardner	Mr L Winchester

A warm welcome is extended to these new members of our club. We hope you will spend many happy and informative hours at our meetings and outings, and enlarge your circle of like-minded friends.

\* \* \* \* \*

ANNUAL GENERAL MEETING

In March, this club will hold its A.G.M. It is not too early to consider who we will have as office bearers and committee members. We are hoping that some of our new members will become so enthusiastic that they will offer themselves for selection - new blood on a committee helps to keep up the vitality of a club, and jobs shared are lightened for all. It is the responsibility of EVERY member to see that all the positions are filled - so put on your considering cap and be ready when the big day comes!

SUBSCRIPTIONS FOR 1980.

Like escalators, our costs go up and up. -But there the similarity ends - there is NO down and down.

Revised subs - due on January 1st, 1980, will be:-

Junior \$5	Adult \$9
------------	-----------

Pensioner \$5	Family \$12.
---------------	--------------

These fees include the Bulletin and The Tasmanian Naturalist. The Sub. for non-members who wish to receive " " will remain at \$3 for the time being.

Expensive???? The last time I had a 'dinner' at a restaurant it cost me \$16, for a mere 3 hours on one evening.

But look what you get for your F. Nats Sub! 11 nights out, 11 outings, plus all the information, slides etc, good exercise in the fresh air, friends to be made, a quarterly Bulletin - and the Tasmanian Naturalist.

Our '75th'

There was a good roll up of members on Sep 20th and all appreciated the Birthday Cake (made by Mrs. Stephens) with its brown Platypus on white icing with green background. The cutting of the cake was performed by Life Member, Mr Kelsey Aves - and we have some slides to record the happy occasion. The special outing, too, was well attended, and in lovely warm sunshine we retraced the steps of the first folk to go on a F. Nats outing - up Old Farm Road behind the Cascade Brewery and up Myrtle Gully. We came back to a field by the road for lunch and boiled the billy as they did so long ago. I wonder if the club will still be going in another 75 years? It will be the year 2054!

FFEDFRATION OF FIELD NATURALISTS' CLUBS OF TASMANIA

Five members of this club attended the biannual meeting held on King Island on Oct. 20th. We flew in 6-seater planes on Charter and were billeted for the weekend. Discussion ranged through Signposting, Dismal Swamp, Ragwort, Boneseed, Marine Parks, Roadside Reserves, Gravel Pits, Coloured Poison Paita, proposed additional Reserves, It is expected that the A.G.M. 1980 will be held at Burnie on the March long weekend so that a visit can be made to Dismal Swamp where the Forestry are researching the possibility of growing Blackwood for commercial purposes. The weather was really wonderful and so were the King Island Field Nats who did everything to see that we enjoyed our stay and saw as much of King Island as possible in the time available.

DEADLINE FOR FEBRUARY BULLETIN

Friday, Jan. 25th.

Bulletin Folding Night - Friday Feb. 8th,  
at 6 Richardson Ave, Dynnyrne.

VOLUNTEERS WELCOMED - happy evening, lots of chat,  
and a cuppa to finish.

\* \* \* \* \*

A suggestion - why not pay your 1980 sub at the November meeting and get it over! Nice to feel you are financial for the next twelve months.....
